

West Point Innovation Center Policies

Library/Innovation Center Use:

The Innovation Center is open from 8:00am-3:30pm. Hours subject to change due to school closure/meetings

Students must have school-issued ID to use resources/check-out books

Students must have a pass from their teacher to use the Innovation Center during class time

Students may use the Innovation Center before school, after school and during lunch

Laptops are available for use while working in the Innovation Center

Loan Policies:

Three books may be checked out at a time, for a duration of 15 school days

Books may be renewed if there are no holds on the book or there is no debt on library account

Students will be charged for lost or damaged books

General Expectations:

West Point High School PBIS expectations apply in the Innovation Center

This is an academic environment and will be held to high academic standards

No food or drink, other than water, allowed in the building

Printing:

Students may print items for classwork at no cost

All printing is black and white

Printed is limited to 10 pages per day
